## DEDICATED TO THE GRADUATING CLASS OF 1998

As you walk across the stage and receive your diploma, think for one moment of the impact you have made at the College of the Albemarle. More importantly, think what impact you will be making on the world as you prepare to go out and make your mark in it.

We wish each of you great success and happiness in your future endeavors.

Yearbook Staff

To accomplish great things we must not only act but also dream, not only plan but also believe.

Anatole France

# COLLEGE OF THE ALBEMARLE PRESIDENT

Yearbook letter from COA President

Dear COA Graduates:

Graduation day! Walking across the stage and receiving one's degree or diploma! It is only a moment in time. But, a present moment separates all of the future from all of the past. As such, some moments are clearly more *momentous* than others, and your graduation is clearly momentous!

Graduation from COA may be only a moment, but it represents a significant past investment of time and energy on the part of each graduate. It is a time to reflect on the past. It becomes a moment in which all the pains and problems—the numerous obstacles to gaining one's education—lose their sting and are converted into joy. Those past pains make the present moment even sweeter.

Graduation is also a moment for looking forward, for thinking about what the future will bring. The future is always uncertain, but at graduation your future has become shaped to some extent by your degree or diploma, by the educational investment you have made in yourself. Your future life will be enhanced because of what you have accomplished at COA.

Upon this momentous occasion, I wish you rich human relationships and deep satisfaction in your future endeavors. Best wishes from everyone at College of The Albemarle.

Larry R. Donnithorne

The **Foreign Arts Club** works to foster the COA community's awareness of multi-cultural interests. Members persevered to meet regularly and often despite the absence of a scheduled activities hour. An evening concert at ECSU of Latin American Folk Music by **Khenany** was gratifying. **Bake Sales** in November and February provided funds to serve "subs" for donors during the American Red Cross **Blood Drive** in January and to award the **Boada Scholarship** to a COA student studying foreign languages. In February, Dr. Jean George educated and entertained members and guests with a pleasant, cultural presentation about her trip to China. Our increasingly popular and free "After-School Movie Date" presented only one foreign film this year, the acclaimed French film, **Ridicule**. **FAC** members and guests enjoyed a stellar presentation at the ECSU Planetarium. **FAC** sponsored the "Pop-A-Prize" booth at COA's annual **Spring Fling** festival..
